

YOUR OWN PRIVATE ISLAND – ESPIRITU SANTO

If you are searching for paradise.....Then look no further than this magnificent tropical island.

This is a once in a lifetime opportunity to buy your own private tropical island with your own airstrip in the fastest growing property market in the South Pacific (one of the five islands within view of each other), offering beauty & tranquility or fantastic development opportunities.

Vanuatu is a well known financial centre with residents free of income tax.

Urelapa Island is 61 hectares and features include an airstrip, over a kilometer of pristine white beaches, a 4 hectare lake and natural spring water supply.

Possibility of subdividing the island into an exclusive 19 allotment retreat.

Beautiful white sandy beach, tropical forests and crystal clear water.

An opportunity for a range of commercial and/or residential developments.

Pristine land, established forests and out of this world snorkeling, diving, deep water fishing make this the perfect treasured lifestyle retreat.
